

BRIDEKICK WEDDING PLANNERS

The Bridekick experience is one of a kind. It's almost like having a best friend and wedding professional all in one. That is what it's all about, having a sidekick, not a business partner. We are full service wedding planning professionals, who will be there from the day you hear the words "Will you marry me?" until you both say "I Do!" I offer customizable packages, whether you need a full planning, just the day of or everything in between. Let's chat over coffee and get your wedding planning underway!

We offer 4 custom packages
